7:30am-4:00pm**

**Guest Speakers:  
Lisa Miller CNM, JD**

**Rebecca Cypher RNC,  
MSN, PNNP**

## PROGRAM – Day 1

Thursday, September 24, 2020	
7:30am	<b>Registration &amp; Breakfast (included)</b>
8:00am	<b>Interactive EFM Assessment</b> <ul style="list-style-type: none"> <li>• Test your core knowledge base</li> <li>• Are you up to date?</li> <li>• How do you compare with colleagues?</li> </ul>
9:00am	<b>EFM Deconstructed</b> <ul style="list-style-type: none"> <li>• Goals of simplification in EFM</li> <li>• Definitions vs. Interpretation vs. Management</li> <li>• Physiology 101: The Oxygen Pathway</li> </ul>
10:00am	<b>Break &amp; Visit Vendors</b>
10:30am	<b>Uteroplacental Physiology</b> <ul style="list-style-type: none"> <li>• Utero-placental physiology</li> <li>• Fetal acid-base status</li> <li>• Umbilical cord gas analysis</li> <li>• Uterine acid-base &amp; implications for labor</li> </ul>
11:30am	<b>Lunch (included)</b>
12:30pm	<b>Standardized Interpretation &amp; Management</b> <ul style="list-style-type: none"> <li>• Two core principles of interpretation</li> <li>• Limitations of “Category Speak”</li> <li>• Evidence &amp; Consensus-based EFM Management</li> <li>• The Miller Model, Category II Consensus Algorithm, Adapted Category II Algorithm</li> </ul>
1:45pm	<b>FHR Tracings Practicum</b> <ul style="list-style-type: none"> <li>• Small group work with actual FHR Tracings</li> </ul>
2:15pm	<b>Break &amp; Visit Vendors</b>
2:45pm	<b>Guided Participant Review of FHR Tracings Practicum</b> <ul style="list-style-type: none"> <li>• Group presentation of findings</li> <li>• Discussion of NICHD definition and implementation of standardized interpretation</li> <li>• Q &amp; A</li> </ul>
3:45pm	<b>Q&amp;A/Course Evaluations/Adjourn at 4pm</b>

Target Audience: Nurses, Nurse Practitioners, Midwives and other professionals interested in perinatal healthcare.

## Program Objectives

At the conclusion of this program, participants will be able to:

- Practice application of NICHD definitions through self-assessment
- Identify key concepts regarding the 2008 NICHD workshop report
- Review fetal-uteroplacental physiology and the impact on fetal oxygenation
- Describe labor effects on uterine muscle acid-base
- Recognize complex factors influencing the oxygenation pathway in EFM
- Apply a standardized, consensus-based approach to EFM management
- Describe frequent errors/allegations related to obstetric liability
- Explain physiologic rationale and research for corrective measures used in Category II/III tracings
- Discuss complex case studies including second stage, signal ambiguity, and EFM interpretation & management
- Report key findings of the ARRIVE trial/related studies
- Restate four elements of an EFM liability claim
- Summarize important elements of intrapartum EFM documentation
- Identify the relationship between documentation & deposition
- List at least three tips for surviving a deposition

## CONTINUING EDUCATION

The Kentucky Board of Nursing has approved Day 1 of this course for **7.2 contact hours**. KBN Provider #1-0011-12-21-001 Exp.12/31/21 and Day 2 of this course for **7.2 contact hours**. KBN Provider #1-0011-12-21-002 Exp.12/31/21. KBN approval of an individual nursing continuing education provider does not constitute endorsement of program content.

## PROGRAM – Day 2

Friday, September 25, 2020	
7:30am	<b>Registration &amp; Breakfast (included)</b>
8:00am	<b>Interactive EFM Assessment</b> <ul style="list-style-type: none"> <li>• Assess core knowledge base and compare to Day 1</li> </ul>
9:00am	<b>Overview of Obstetric Litigation</b> <ul style="list-style-type: none"> <li>• How Lawsuits Happen</li> <li>• Elements of malpractice</li> </ul>
9:30am	<b>Documentation Overview</b> <ul style="list-style-type: none"> <li>• Impact of documentation from a medico-legal perspective</li> <li>• Keeping it “CLEAR” – components of successful documentation</li> </ul>
10:00am	<b>Break &amp; Visit Vendors</b>
10:30am	<b>Documentation Pitfalls</b> <ul style="list-style-type: none"> <li>• Nurse vs. Provider Charting</li> <li>• SOAP? Narrative? Flowsheets?</li> <li>• Dangers of “charting by exception” in OB situations</li> </ul>
11:30am	<b>Lunch (included)</b>
12:30pm	<b>Case Studies in EFM</b> <ul style="list-style-type: none"> <li>• This portion of the day will involve actual cases taken from obstetric litigation. Each case will highlight different areas of potential liability. Case presentations will be followed by a discussion of applicable risk management strategies.</li> </ul>
2:15pm	<b>Break &amp; Visit Vendors</b>
2:45pm	<b>Deposition Survival</b> <ul style="list-style-type: none"> <li>• Purposes of the deposition process</li> <li>• Use of policies, procedures, guidelines and standards</li> <li>• Review of actual deposition excerpts</li> <li>• 10 tips for deposition</li> </ul>
3:45pm	<b>Q &amp; A/Course Evaluations/Adjourn at 4pm</b>
