7:30am – 12:10pm**

&

**Tuesday, September 21, 2021
7:30am – 12:10pm**

PROGRAM – Day 1

Monday, September 20, 2021	
7:30am	Registration
8:00am	Alison Slone, MD, FAAP <i>Just Breathe: Common Pathophysiology of the Respiratory System in Neonates</i>
9:00am	Connie White, MD <i>Maternal Morbidity/Mortality in Kentucky</i>
10:00am	Stretch Break
10:10	Sharon McCoy, MSN, CNS, RNC-OB, C-ONQS <i>Update on Perinatal Regulatory Requirements and Publicly Reported Data</i>
11:10	Cheryl Parker, DNP, CRNA, RNC-OB <i>When Uncomplicated Childbirth Causes Permanent Nerve Damage</i>
12:10	Adjourn – Complete evaluations to receive CE

Program Objectives Day 1

At the conclusion of this program, participants will be able to:

- Describe the basics of transitional physiology from in utero circulation to the newborn.
- Discuss modalities for respiratory support in the resuscitation room and the newborn nursery.
- Discuss the issues surrounding maternal morbidity/mortality in Kentucky.
- Describe lower extremity nerve injury (LENI) during childbirth: etiology, presentation, and duration.
- Identify post-partum interventions, treatment options and patient resources.
- Describe TJC Perinatal Core Measures and the new TJC standards for Perinatal Safety.
- Share what perinatal measures and data are publicly reported.
- Analyze the data into meaningful information for your team.

CONTINUING EDUCATION

The Kentucky Board of Nursing has approved Day 1 of this course for **4.8 contact hours**. KBN Provider #1-0011-12-21-001 Exp.12/31/21 and Day 2 of this course for **4.8 contact hours**. KBN Provider #1-0011-12-21-002 Exp.12/31/21. KBN approval of an individual nursing continuing education provider does not constitute endorsement of program content.

Verification of Attendance:

The presenter will randomly announce the code word for their session during the presentation.

You (the participant) will keep record of all code words for each session that you attend.

Participant will then submit the code words by writing them on the evaluation sheets. Evaluations will be available for download.

Email your completed evaluations with code words to ldsenn@gmail.com

Once your email has been received and all items are verified you will receive an email with your certificate(s) attached.

This program has been created for Nurses, Nurse Practitioners, Midwives and other professionals interested in perinatal healthcare.
