

REGISTRATION

This program has been created for Nurses, Nurse Practitioners, Midwives and other professionals interested in perinatal healthcare. **There are no prerequisites to participate in this activity.**

Registration is limited to 200 participants.
Deadline for Registration: Sept. 16, 2022

Each day's registration fee includes:
Breakfast, lunch & contact hours

ONLY Thursday, September 22, 2022

Member-\$125 Non-member-\$150

ONLY Friday, September 23, 2022

Member-\$125 Non-member-\$150

BOTH days 9/22 & 9/23

Member-\$200 Non-member-\$250

To receive contact hours, participants must sign in and attend the entire day(s) they registered for, complete an evaluation, and provide their nursing license number. Sponsors reserve the right to substitute speakers with equivalent credentials.

2022

Kentucky AWHONN Fall Symposium

September 22 & 23, 2022 7:30am-4:00pm

Guest Speakers: Lisa Miller CNM, JD

Rebecca Cypher RNC, MSN, PNNP

This Symposium has been designed to provide perinatal providers with the tools needed to assess and respond to what the fetus is telling us and then to effectively communicate this information in our documentation.

PROGRAM – Day 1

| Thursday, September 22, 2022 | |
|------------------------------|--|
| 7:30am | Registration & Breakfast |
| 8:00am | Interactive EFM Assessment <ul style="list-style-type: none">• Test your core knowledge base• Are you up to date?• How do you compare with colleagues? |
| 9:00am | EFM Deconstructed <ul style="list-style-type: none">• Goals of simplification in EFM• Definitions vs. Interpretation vs. Management• Physiology 101: The Oxygen Pathway |
| 10:00am | Break & Visit Exhibitors |
| 10:30am | Uteroplacental Physiology <ul style="list-style-type: none">• Utero-placental physiology• Fetal acid-base status• Umbilical cord gas analysis• Uterine acid-base & implications for labor |
| 11:30am | Lunch |
| 12:30pm | Standardized Interpretation & Management <ul style="list-style-type: none">• Two core principles of interpretation• Limitations of “Category Speak”• Evidence & Consensus-based EFM Management• The Miller Model, Category II Consensus Algorithm, Adapted Category II Algorithm |
| 1:45pm | FHR Tracings Practicum <ul style="list-style-type: none">• Small group work with actual FHR Tracings |
| 2:15pm | Break & Visit Exhibitors |
| 2:45pm | Guided Participant Review of FHR Tracings Practicum <ul style="list-style-type: none">• Group presentation of findings• Discussion of NICHD definition and implementation of standardized interpretation• Q & A |
| 3:45pm | Q&A/Course Evaluations/Adjourn at 4pm |

Program Objectives

At the conclusion of this program, participants will be able to:

- Practice application of NICHD definitions through self-assessment
- Identify key concepts regarding the 2008 NICHD workshop report
- Review fetal-uteroplacental physiology and the impact on fetal oxygenation
- Describe labor effects on uterine muscle acid-base
- Recognize complex factors influencing the oxygenation pathway in EFM
- Apply a standardized, consensus-based approach to EFM management
- Describe frequent errors/allegations related to obstetric liability
- Explain physiologic rationale and research for corrective measures used in Category II/III tracings
- Discuss complex case studies including second stage, signal ambiguity, and EFM interpretation & management
- Report key findings of the ARRIVE trial/related studies
- Restate four elements of an EFM liability claim
- Summarize important elements of intrapartum EFM documentation
- Identify the relationship between documentation & deposition
- List at least three tips for surviving a deposition

CONTINUING EDUCATION

The Kentucky Board of Nursing has approved Day 1 of this course for **7.2 contact hours**. KBN Provider #1-0011-12-23-001 Exp.12/31/23 and Day 2 of this course for **7.2 contact hours**. KBN Provider #1-0011-12-23-002 Exp.12/31/23. KBN approval of an individual nursing continuing education provider does not constitute endorsement of program content.

PROGRAM – Day 2

| Friday, September 23, 2022 | |
|----------------------------|--|
| 7:30am | Registration & Breakfast |
| 8:00am | Interactive EFM Assessment <ul style="list-style-type: none">• Assess core knowledge base and compare to Day 1 |
| 9:00am | Overview of Obstetric Litigation <ul style="list-style-type: none">• How Lawsuits Happen• Elements of malpractice |
| 9:30am | Documentation Overview <ul style="list-style-type: none">• Impact of documentation from a medico-legal perspective• Keeping it “CLEAR” – components of successful documentation |
| 10:00am | Break & Visit Exhibitors |
| 10:30am | Documentation Pitfalls <ul style="list-style-type: none">• Nurse vs. Provider Charting• SOAP? Narrative? Flowsheets?• Dangers of “charting by exception” in OB situations |
| 11:30am | Lunch |
| 12:30pm | Case Studies in EFM <ul style="list-style-type: none">• This portion of the day will involve actual cases taken from obstetric litigation. Each case will highlight different areas of potential liability. Case presentations will be followed by a discussion of applicable risk management strategies. |
| 2:15pm | Break & Visit Exhibitors |
| 2:45pm | Deposition Survival <ul style="list-style-type: none">• Purposes of the deposition process• Use of policies, procedures, guidelines and standards• Review of actual deposition excerpts• 10 tips for deposition |
| 3:45pm | Q & A/Course Evaluations/Adjourn at 4pm |
